Its actually called West CR 112, as in West County Road 112

A6R6
TXN000606992

Address is Intersection between CR 112 & CR 1205, Midland, TX 79706

Midland county.

Bret Kendrick is the Site Assessment Manager.

The area is on the south city limits of Midland. The community is known as Cotton Flat. The exit off of I-20 is Cotton Flat Road.

This one talks about the speculation of Schlumberger being the PRP. I find that hard to believe based on the distance between the Schlumberger facility and the plume. I would look closer at the several shops on the NW corner of what is currently defined as the Site.
